Subject: Questions for story related to Dimock water supply

Hi Shawn,

I'm working on a story related to the Nov. 30th cutoff of water being supplied to residents of Dimock PA and was told that the EPA is expected to be weighing in on this matter. I also noticed that you were copied on a letter from the NRDC to Secretary Krancer, so I am contacting you to see if indeed EPA is becoming involved in this matter, and if so, what is being done at this point.

I can be reached at the number below, or by response to this email. My deadline is tomorrow (Tuesday) morning.

Thanks for your assistance.
Sandy Long
